PROFESSIONAL SUMMARY

Results-driven Executive & Virtual Assistant and B2B Lead Generation specialist with 9+ years supporting C-level and VP leaders across real estate, hospitality, SaaS, and professional services. Proven in building and scaling outbound pipelines, qualifying leads against ICP criteria, managing CRM ecosystems, and automating workflows with AI tools such as Claude and Claude Code. Combines executive support precision with growth operations to win more qualified meetings.

CORE COMPETENCIES

Executive Support • B2B Lead Generation • ICP Research • Outbound Email & LinkedIn Campaigns • CRM Administration • AI Workflow Automation • Email Deliverability • Inbox & Calendar Management • SOP Development

PROFESSIONAL EXPERIENCE

Drumheller Construction Management Mar 2026 – Aug 2026
Lead Generation Specialist

- Owned the end-to-end pipeline—ICP research, list building, CRM entry, qualification, outreach, and pipeline maintenance—for consistent lead flow and conversion.
- Built targeted prospect lists in Apollo from defined ICP criteria and kept prospect data accurate across HubSpot and Pipedrive.
- Designed and deployed full email outreach automations in HubSpot and Pipedrive, including campaign setup, workflow logic, follow-ups, and lead routing.
- Built Claude-based systems that automate ICP matching and lead qualification, cutting manual research time and freeing hours for outreach.
- Monitored deliverability, open rates, list quality, and campaign performance to keep outbound infrastructure healthy and responsive.

AKKO Jul 2025 – Mar 2026
Executive Assistant & Lead Generation Specialist

- Supported the VP with inbox management, calendar coordination, task follow-ups, and CRM administration across HubSpot and ClickUp.
- Converted executive meeting recordings into structured action items and tracked HubSpot tasks to completion.
- Researched and compiled B2B event leads into clean, upload-ready lists for HubSpot; coordinated domestic and international travel and event logistics.

BlueAstro Jan 2025 – Mar 2025
Administrative Assistant

- Managed sales tracking and project reporting in Asana; quality-checked and launched client sweepstakes offer pages with developers.
- Managed domain purchases, renewals, and maintenance across client assets.

BrainGainzLC Mar 2024 – Mar 2025
Executive Assistant

- Redesigned operational procedures, cutting redundant steps and improving workflow efficiency by 80%; managed the executive calendar, meeting prep, pre-reads, and follow-ups.
- Ran social media across Facebook, Instagram, and TikTok; maintained WordPress and Elementor content.

MintLeads Nov 2023 – Mar 2024
Operations Specialist

- Audited and maintained prospect databases, improving database accuracy to 95%.
- Managed prospect blacklist and unsubscribe processes to protect sender reputation and email deliverability.

Valcove Hospitality Apr 2023 – Oct 2023
Business Development Associate / Lead Generation Specialist

- Managed B2B outreach across email, LinkedIn, and HubSpot—research, follow-up, lead nurturing, and pipeline management.
- Worked directly with the Founder and CEO to coordinate prospect communication and business development activities.

Extenteam Jun 2021 – Nov 2023
Business Development Associate / Lead Generation Specialist

- Executed multi-touch B2B outreach campaigns targeting hospitality decision-makers via LinkedIn Sales Navigator and email automation.
- Conducted market and competitive research to sharpen prospect targeting; managed client relationships and supported referral growth.

Portillo Realty Group Sep 2021 – Sep 2022; May 2019 – Jun 2021
Executive Assistant

- Managed the CEO's scheduling, travel calendar, and priorities tied to business operations; coordinated vendors, property assessments, maintenance budgets, and operational follow-ups.
- Created SOPs and onboarding manuals to speed team ramp-up; ran targeted social campaigns that lifted audience engagement by 25%.

YesVirtualPH Aug 2017 – Feb 2020
Property Management Assistant

- Handled leasing inquiries across phone, email, and chat; coordinated rent notifications, maintenance tickets, and move-outs.
- Processed rent payments and maintained accurate CRM records for property operations.
