PROFESSIONAL EXPERIENCE

Drumheller Construction Management

Mar 2026 - Aug 2026

Lead Generation Specialist | Construction | Remote

- Owned the end-to-end pipeline: lead list management, data and CRM clean-up, ICP matching, and email and LinkedIn outreach.
- Built targeted prospect lists in Apollo from defined ICP criteria; kept prospect data accurate across HubSpot and Pipedrive.
- Designed and deployed full email outreach automations in HubSpot and Pipedrive, including workflow logic, follow-ups, and lead routing.
- Built Claude-based systems that automate ICP matching and lead qualification, cutting manual research time and freeing hours for outreach.
- Monitored deliverability, open rates, list quality, and campaign performance; produced data reporting.

AKKO

Jul 2025 - Mar 2026

Executive Assistant | Computer and Technology | Remote

- Supported the VP with inbox and calendar management, event planning, and task follow-ups across HubSpot and ClickUp.
- Conducted competitor analysis and lead research; built contact lists and ran email and LinkedIn outreach.
- Converted executive meeting recordings into structured action items and tracked HubSpot tasks to completion.

BrainGainzLC

Mar 2024 - Mar 2025

Executive Assistant | Education | Remote

- Redesigned operational procedures, cutting redundant steps and improving workflow efficiency by 80%.
- Prepared educational materials, planned events, created content, and managed client and student inquiries.
- Managed the executive calendar, travel arrangements, and website content maintenance (WordPress and Elementor).

BlueAstro

Jan 2025 - Mar 2025

Admin Assistant | Remote

- Managed sales tracking and project reporting in Asana; quality-checked and launched client offer pages with developers.
- Drafted and edited webpages; performed data and CRM clean-up; managed domain purchases and renewals.

MintLeads

Nov 2023 - Mar 2024

Operations Specialist | Remote

- Audited and maintained prospect databases, improving database accuracy to 95%.
- Managed prospect blacklist and unsubscribe processes to protect sender reputation and email deliverability.
- Supported B2B lead generation and management operations.

Valcove Hospitality

Apr 2023 - Oct 2023

Executive Assistant and Business Development | Hospitality | Remote

- Managed B2B outreach across email, LinkedIn, and HubSpot: research, follow-up, lead nurturing, and pipeline management.
- Built contact lists, cleaned up and migrated CRM data, and created presentations for prospect communication.
- Worked directly with the Founder and CEO to coordinate business development activities.

Extenteam

Jun 2021 - Nov 2023

Business Development Associate and Lead Generation Specialist | Hospitality | Remote

- Executed multi-touch B2B outreach campaigns targeting hospitality decision-makers via LinkedIn Sales Navigator and email automation.
- Managed calendar, inbox, and LinkedIn social media; conducted ICP profiling, event research, and travel planning.
- Conducted market and competitive research to sharpen prospect targeting; supported referral growth.

Portillo Realty Group

Sep 2021 - Sep 2022

Executive Assistant | Real Estate | Remote

- Managed the CEO's scheduling, travel, and priorities; coordinated vendors, property assessments, maintenance budgets, and operational follow-ups.
- Handled property listings (MLS), CRM management and clean-up, social media, blog posting, and LinkedIn engagement.
- Created SOPs and onboarding manuals; ran targeted social campaigns that lifted audience engagement by 25%.

TrueGuard Property Management

May 2019 - Jun 2021

Executive Assistant | Real Estate | In Office

- Handled customer inquiries with first-call resolution on billing accounts.
- Managed order provisioning, processing, and checking; troubleshooted devices using CRM and DOS-based tools.

YesVirtualPH

Aug 2017 - Feb 2020

Property Management Assistant | Real Estate | In Office

- Managed executive calendars, travel, and meetings to optimize leadership time.
- Oversaw property assessments, vendor coordination, and budgeting for maintenance projects.
- Served as the primary contact for property owners, tenants, and vendors; maintained CRM records.
- Managed property listings on MLS; created SOPs and training manuals; assisted in drafting contracts.
- Provided executive support to the CEO, offering insights and administrative assistance.

Telstra

Nov 2015 - Feb 2017

Customer Service Representative | Telecommunications | In Office

- Delivered quality results through customer inquiry handling, account modifications, order processing, up-selling, and device troubleshooting.
- Developed call strategies for best-possible resolution; handled sales, high-risk account management, rate plan optimization, and retention with 100% effectiveness.

Sprint

Nov 2015 - Feb 2017

Senior Collections Specialist | Telecommunications | In Office

- Managed collections on delinquent wireless accounts, negotiating payment arrangements and settlements to recover outstanding balances.
- Resolved billing disputes and account discrepancies with first-call resolution, preserving customer relationships while recovering revenue.
- Handled high-risk and high-balance accounts, applying escalation and retention strategies to minimize losses.
- Maintained accurate account records in CRM systems, documenting all interactions, payment commitments, and follow-ups.
- Met monthly collection targets and quality assurance standards while supporting customer retention.

CLIENT TESTIMONIALS

- "Ace removed the redundant steps in our operations end to end. What used to take our team days now takes moments." - Workflow redesign, BrainGainzLC
- "Our prospect database went from messy to mission-grade, and our sender reputation stopped getting us flagged." - Data audit, MintLeads
- "Targeted social campaigns he built brought measurable engagement growth month over month." - Engagement campaign, Portillo Realty Group
